### ACADEMIC COLLEGE-READY INDICATORS

A student is considered “college ready” by maintaining a 2.8 GPA and meeting one other additional academic indicator below.

#### ALGEBRA 2 GRADES

Students earning a C or better in Algebra 2 is a strong indicator of college readiness. Students who study math at least through Algebra 2 in high school are more than twice as likely as those who do not to earn a four-year degree.

**80% (83.3%) earning C or better**

#### ACT COMPOSITE SCORES

ACT scores are an example of a student’s ability to learn & an indicator of a student’s readiness for post-secondary education demands.

**55% (20%) scoring 18+**

#### AP ENROLLMENTS & SCORES

Participation in and passing of Advanced Placement Courses provides an indicator of academic rigor & a component of college readiness.

**111 (81) AP course enrollments**

**83.3% (64.9%) scoring 3 or higher on AP test**

#### DUAL CREDIT ENROLLMENT

Dual enrollment students are significantly more likely to persist in college to a second semester, earn higher post-secondary GPA, & remain enrolled two years after HS graduation.

**409 (356) course enrollments**

## 2024 STATS (2023 STATS)

### CAREER-READY INDICATORS

A student is considered “career ready” by meeting either two indicators below or one indicator below plus two college-ready indicators.

#### 90%+ ATTENDANCE RATES

Course attendance freshman year is 8 times more predictive of course failure than any 8th grade test.

**95.6% (97%) freshman attendance rate**  
**97% (98%) whole school attendance rate**

#### CO-CURRICULAR ACTIVITIES

Extra-curricular activities are one of the best investments a school can make to promote achievement, student engagement, & attitudes & habits leading to college aspirations & ultimate success.

**50% (48%) involved in 2 or more organized activities**

#### WORK-BASED LEARNING EXPERIENCES

Students gaining early entry to the workplace on a pathway of their choice have a better chance of starting a career after high school sooner. These opportunities integrate strong academic content into career-focused classes.

**43 (43) students participating in a school-credentialed work experience program**

#### INDUSTRY CREDENTIALS

Career and Technical Education (CTE) readies students for both college & careers through the integration of academic, technical and employability skills; by partnering with business and industry; & by emphasizing the attainment of meaningful credentials.

**144 (122) industry credentials earned**

#### '23-'24 ENROLLMENT:

**353 (356) students**
